* Available as optional equipment.

www.bmw.com/efficientdynamics

MORE POWER FROM LESS FUEL.

More power from 3 to 12 cylinders. Consume less, experience more – the **BMW TwinPower Turbo engines** offer the greatest possible dynamic performance with the greatest possible efficiency thanks to the newest injection systems, variable output control and sophisticated turbocharger technology. Whether diesel or petrol, and no matter how many cylinders, the engines from the BMW EfficientDynamics engine family allow markedly more agile power delivery and outstanding responsiveness even at low rpms, while being fuel-efficient and low in emissions.

MORE DRIVING PLEASURE, LESS EMISSIONS.

Approximately 33% less CO₂ emissions since 2000: **BMW EfficientDynamics** is a technology package that includes not only the drive, but rather the whole vehicle concept and intelligent energy management. Provided as standard in every BMW, a variety of innovative technologies contribute to continuously improving efficiency. Via engine efficiency measures, electrification, lightweight construction methods and optimised aerodynamics, BMW has managed to reduce the CO₂ emissions of its fleet by 33%.

MORE SPEED, LESS WEIGHT.

Lower weight with intelligent lightweight construction. Special consideration for every last detail – intelligent lightweight construction means that the optimal material is found and implemented for each part of the vehicle. With extremely light high-tech materials such as aluminium and carbon fibre, **BMW EfficientLightweight** is pursuing the goal of minimising vehicle weight. That leads to even more dynamic performance, increased stability and heightened vehicle safety and comfort.

LIGHTWEIGHT CONSTRUCTION.

Intelligent lightweight construction at BMW means using the right material for the right parts of the vehicle. For every single component, the most suitable material is selected. This philosophy, also known as **BMW EfficientLightweight**, is now integral to BMW EfficientDynamics and applied to every BMW.

AERODYNAMICS.

With targeted measures focusing on Aerodynamics, BMW has optimised drag coefficient and efficiency as well as interior acoustics. Fuel consumption has also been reduced. The Active air stream kidney grille, the Air curtain on the front wheels and the Aero wheels are all targeted and detailed measures to further reduce air resistance.

DRIVING EXPERIENCE CONTROL INCL. ADAPTIVE MODE¹ INCL. ECO PRO.

The Driving Experience Control offers the driver the choice between the standard COMFORT mode, ECO PRO Mode, geared towards efficiency, and SPORT mode, which enables even more dynamic driving. The new interactive function Adaptive Mode continuously adjusts the Dynamic Damper Control, the steering and the Steptronic transmission to suit the current driving situation.

IN THE NEW BMW X3.

BMW X3 xDrive20i²

- BMW TwinPower Turbo four-cylinder petrol engine with 135kW (184hp)³ and 290Nm³ of torque
- Acceleration 0–100km/h: 8.3s³; top speed: 215km/h³
- Combined fuel consumption: 7.2l/100km³
- Combined CO₂ emissions: 165g/km³

BMW X3 xDrive30i²

- BMW TwinPower Turbo four-cylinder petrol engine with 185kW (252hp)³ and 350Nm³ of torque
- Acceleration 0–100km/h: 6.3s³; top speed: 240km/h³
- Combined fuel consumption: 7.4l/100km³
- Combined CO₂ emissions: 168g/km³

BMW X3 M40i

- M TwinPower Turbo in-line six-cylinder petrol engine with 265kW (360hp) and 500Nm of torque
- Acceleration 0–100km/h: 4.8s; top speed: 250km/h⁴
- Combined fuel consumption: 8.2–8.4l/100km
- Combined CO₂ emissions: 188–193g/km

BMW X3 xDrive20d

- BMW TwinPower Turbo four-cylinder diesel engine with 140kW (190hp) and 400Nm of torque
- Acceleration 0–100km/h: 8.0s; top speed: 213km/h
- Combined fuel consumption: 5.0–5.4l/100km
- Combined CO₂ emissions: 132–142g/km

BMW X3 xDrive30d

- BMW TwinPower Turbo four-cylinder diesel engine with 195kW (265hp) and 620Nm of torque
- Acceleration 0–100km/h: 5.8s; top speed: 240km/h
- Combined fuel consumption: 5.7–6.0l/100km
- Combined CO₂ emissions: 149–158g/km

¹ Only in conjunction with Dynamic Damper Control and Business Navigation system or Professional Navigation system.

² Due to be available from 12/2017.

³ Provisional figures. Any missing figures were unavailable at the time of publication.

⁴ Electronically restricted.

Performance, fuel consumption and CO₂ emissions figures refer to vehicles with standard transmission.

The stated fuel consumption and CO₂ data were determined in accordance with the stipulated VO (EU) 2007/715 measurement process as currently applicable to vehicle approval. Data refer to a vehicle with base-level equipment in Germany and the ranges account for differences according to selected wheel and tyre sizes. Values for vehicles indicated with (2) have already been determined on the basis of the new WLTP act

and adjusted for comparability with NEDC. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.

Further information on fuel consumption and CO₂ emissions can be found in technical data or consult your local BMW partner.

BMW ConnectedDrive and BMW Personal CoPilot.

www.bmw-ConnectedDrive.com

THE NEW BMW X3 - DIGITALLY CONNECTED FOR MORE INFOTAINMENT AND COMFORT.

Innovation and Technology 20 | 21

REGISTERS UP TO **360** DEGREES OF THE VEHICLE'S SURROUNDINGS.

Enjoy the ultimate in comfort and safety with the BMW Personal CoPilot. Whether it's for driving, parking or visibility, you can rely on BMW Personal CoPilot driver assistance systems in every situation. The most cutting-edge systems, such as radar, ultrasound and cameras, dependably register the vehicle's surroundings, forming the basis for intelligent driver assistance systems. Either activated when desired, or as emergency assistance in the background – BMW Personal CoPilot assistance systems make every journey in your BMW even safer and more enjoyable.

CONNECTED FOR OVER **40** YEARS.

Focused on the future – from the very beginning. By the 1970s, BMW had already made headway in connected mobility. Another milestone of the digital future was surpassed in 1999: vehicles with built-in SIM cards. Then came the first online functionality, Google Services and innovative display systems such as the BMW Head-Up Display. Throughout this process, the desires of the customer have always taken centre stage. As the first premium automobile manufacturer, BMW makes it possible to book and pay for services flexibly via the BMW ConnectedDrive Store, in the vehicle or on a computer at home. And with the introduction of BMW Connected and the Open Mobility Cloud, BMW is taking the next steps into the future of mobility.

MORE THAN **20** SERVICES AND APPS IN THE BMW CONNECTED DRIVE STORE.

The ConnectedDrive Services equipment forms the basis for intelligent BMW ConnectedDrive functions, as well as for the integration of selected smartphone apps. This equipment also provides access to the BMW ConnectedDrive Store, in which services and apps can be ordered and extended easily, any time and anywhere to suit the user's individual requirements – for example with the Concierge Service or Online Entertainment, which turn every drive into a convenient and entertaining experience.

IN TOUCH **24/7** WITH BMW CONNECTED.

What would it be like if you were never late again? What if your BMW already knew your preferred destinations? How would you like reliable navigation, whether you're sitting in your vehicle or not? BMW Connected provides you with the information you want, when and where you want it. BMW Connected is a personal mobility assistant which facilitates your everyday mobility and aids you in reaching your destinations relaxed and on time. With the BMW Connected app, mobility-relevant information such as recommendations for optimal departure times are available at any time via smartphone or smartwatch and can be seamlessly transmitted to the car.

DRIVING ASSISTANT PLUS.

Driving Assistant Plus^{1,2} offers greater comfort and security during monotonous or complex driving situations. These can include traffic jams, stop-and-go traffic or long journeys through the city, on country roads or motorways, along with navigating junctions and lane changes.

BMW CONNECTED+ 'SHARE MY RIDE IN REAL-TIME'.

With 'Share My Ride in Real-time'^{1,2}, the driver can safely share his or her arrival time and current location while driving with friends, family and colleagues. The recipient receives a link to a website that displays the destination and current location of the vehicle on a map.

BMW HEAD-UP DISPLAY.

The full-colour BMW Head-Up Display^{1,3} projects all information relevant to the journey directly into the driver's field of vision, thereby allowing them to fully concentrate on driving. Information such as the current speed, navigation directions, Speed Limit Info including no-overtaking indicator, along with telephone and entertainment lists are displayed.

HAZARD WARNING.

The Hazard Warning is a function of Real Time Traffic Information (RTTI)^{1,2} which allows vehicles in the BMW fleet to warn each other of hazards anonymously and in real-time. Hazards such as heavy rain on a route are detected via sensors and displayed in real-time in affected vehicles.

¹ Available as optional equipment.

² Only available in conjunction with the Professional Navigation system.

³ The information in the BMW Head-Up Display is not fully visible when viewed through polarised sunglasses. The exact content shown will depend on the equipment options chosen. Further optional equipment is required for content to be displayed.

SUSPENSION AND SAFETY.

■ Standard equipment □ Optional equipment

The **8-speed Steptronic Sport transmission**¹ offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever – for comfortable coasting or incredibly dynamic driving. In SPORT mode and with the gear lever in the left-hand S/M position, the gear shifts are configured for maximum performance.

The **Dynamic Damper Control**¹ makes it possible to adjust the damper characteristics to suit any given driving situation, increasing roll comfort and driving dynamics. In addition to the standard COMFORT setting, for high driving comfort, there are two other programs available, SPORT and SPORT+², for an even sportier driving style.

The optional **Hill Descent Control (HDC)** in the xDrive models is a system which, when activated, ensures that the vehicle can master the steepest downhill runs automatically and safely at just above walking pace, without the driver having to brake.

The **M Sport brake**¹ has four-piston fixed callipers at the front and one-piston floating callipers at the rear in blue with the M designation and features large brake discs to ensure an outstanding braking performance.

The **M sports exhaust system**^{1,3} delivers a dynamic sound, which is determined by the driving mode and modified via the integrated exhaust valve mechanism. The SPORT and SPORT+² programmes, which can be selected via Driving Experience Control, are accentuated by an even more intense engine sound, while the comfort-oriented programme prioritises more discreet engine acoustics.

□ The **Variable sport steering** with Servotronic creates a direct and agile steering response and ensures less physical effort is required to turn the wheel. It reacts to the angle of the steering wheel with varying steering ratios. This improves handling when driving more dynamically and reduces the effort needed to steer when parking and turning.

□ **Active Protection** is the BMW ConnectedDrive preventive passenger protection system. Active Protection warns the driver if it detects signs of tiredness, safety belts are pretensioned in critical situations, electric seats are returned to upright positions and the windows and sliding roof are closed. After an accident occurs, the brakes are automatically applied until the car reaches a standstill.

□ The **LED headlights with cornering lights** generate a bright and efficient bi-LED light for low and high-beam headlights. The bend lighting and cornering lights with LED technology allow for adaptive light distribution with increased side illumination for city driving. The LED daytime running lights and parking lights in the light tubes of the main headlights create a distinctive feature characteristic of a BMW.

■ **Dynamic Stability Control (DSC)** permanently assesses the vehicle's movements and stabilises it using engine and braking regulation when unstable driving conditions are detected. Additional features of DSC are, for example, brake drying, braking readiness or the Hill-Start assistant, which holds the vehicle briefly in place when starting on inclines to prevent it from rolling backwards.

■ The extremely torsionally stiff but **light body construction** provides the basis for sporty driving dynamics, high-precision steering and agility. Additionally, it offers passengers the best possible all-round protection.

□ The **Steering and lane control assistant**⁴ incl. Traffic jam assistant can be activated to support the driver in monotonous traffic situations. At speeds of up to 210 km/h on all road surfaces, the system conveniently supports steering and keeps the vehicle in the centre of its lane. Steering support is possible with or without Active cruise control.

¹ Available as optional equipment.
² Sport+ as standard in conjunction with BMW X3 M40i and optional with BMW X3 xDrive30i and BMW X3 xDrive30d.

³ Available as standard for BMW X3 M40i.
⁴ Part of the Driving Assistant Plus package.
Optional and standard equipment vary according to country.

BASE.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ The interior with dark matt Oxide Silver with Pearl Chrome accents, the BMW Professional radio and the grippy leather steering wheel create a first-class ambience.

■ The seats in Hevelius Anthracite-Black cloth offer a host of adjustment possibilities for exceptional comfort.

Selected base model equipment features:

- 18" light alloy wheels V-spoke style 618
- LED headlights
- Leather steering wheel with multifunction buttons
- 1-zone automatic air conditioning
- BMW Professional radio with 6.5" LCD colour display
- Driving Experience Control
- Cruise Control with braking function

■ 18" light alloy wheels V-spoke style 618 in Reflex Silver, wheel size 7J x 18, with 225/60 R18 tyres.

xLINE.

■ Standard equipment □ Optional equipment

■ The Sport leather steering wheel makes a particularly high-quality impression thanks to the optional galvanised applications shown here.

□ The Sport seats in Vernasca Mocha leather with decorative stitching give the interior a powerful look.

■ 19" light alloy wheels Y-spoke style 694, Ferric Grey with run-flat properties, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 20" light alloy wheels Y-spoke style 695 in Bicolour Orbit Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

xLine exterior equipment:

- BMW kidney grille with seven exclusively designed vertical slats with front sides in Aluminium matt, grille frame in Chrome
- Decorative elements of the external air inlets in Aluminium matt
- 19" light alloy wheels Y-spoke style 694 in Ferric Grey; other wheels available
- Trim element Air Breather in satinised Aluminium
- Side window surrounds, window guides and window recess finisher in Aluminium satinised, B-pillar and C-pillar in Black high-gloss
- Side skirt trim in Aluminium matt
- Underbody protection front and rear in Aluminium matt

xLine interior equipment:

- Door sill finishers in Aluminum with "BMW xLine" lettering
- Sport seats for driver and front passenger in Cloth/leather combination 'Vivus' Anthracite with contrast stitching; other upholsteries available
- Sport leather steering wheel including multifunction buttons, alternatively □ M Leather steering wheel
- Car key with Chrome high-gloss detailing
- Interior trim finishers in Black high-gloss with accent in Pearl Chrome; other trims available
- Loading sill of the luggage compartment in stainless steel

LUXURY LINE.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ The Sport leather steering wheel makes a particularly high-quality impression thanks to the optional galvanised applications shown here.

□ The Sport seats in Oyster Vernasca leather with decorative stitching underscore the elegant lines of the interior.

■ 19" light alloy wheels Double-spoke style 696 in Bicolour Ferric Grey, gloss-lathed with run-flat properties, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 20" light alloy wheels V-spoke style 697 in Bicolour Ferric Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

Luxury Line exterior equipment:

- BMW kidney grille with seven exclusively designed vertical slats and grille frame in Chrome
- Front bumper with specific design elements in Chrome
- 19" light alloy wheels Double-spoke style 696 in Bicolour Ferric Grey gloss-lathed; other wheels available
- Trim element Air Breather with design elements in Chrome
- Side window surrounds and window recess finisher in Chrome, B-pillar and C-pillar, mirror base and mirror foot in Black high-gloss
- Side skirt trim in Frozen Grey with accent in Chrome
- Underbody protection front and rear in Frozen Grey matt with accent in Chrome high-gloss

Luxury Line interior equipment:

- Door sill finishers in aluminium, front, with "BMW Luxury Line" lettering
- Seats in Leather 'Vernasca' Black with contrast stitching and specific stitching; other upholsteries available
- Sport leather steering wheel incl. multifunction
- Car key with Chrome high-gloss detailing
- Interior trim finishers in Fine-wood trim poplar grain Grey with accent in Pearl Chrome; other trims available
- Instrument panel and door panel in Sensatec with contrast stitching in Grey
- Loading sill of the luggage compartment in stainless steel

M SPORT PACKAGE.

Equipment 26 | 27

■ Standard equipment □ Optional equipment

■ M Leather steering wheel¹ including multifunction buttons, steering wheel rim in leather 'Walknappa' Black with contoured thumb rests.

□ The Vernasca Black leather with contrast stitching in Blue also gives the interior design a dynamic accent.

■ 19" M light alloy wheels Double-spoke style 698 M in Bicolour Ferric Grey, gloss-lathed with run-flat properties, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 20" M light alloy wheels Double-spoke style 699 M in Bicolour Orbit Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

M Sport package exterior equipment:

- M Aerodynamics package with front apron, side skirts, wheel arch trims in body colour
- LED fog lights
- 19" light alloy wheels Double-spoke style 698 M in Bicolour Ferric Grey gloss-lathed with run-flat properties; other wheels available
- M Sport transmission,
- Dynamic Damper Control optionally available
- BMW Individual roof rails high-gloss Shadow Line, alternatively roof rails Aluminium satinised
- BMW Individual high-gloss Shadow Line, alternatively BMW Individual Exterior Line Aluminium satinised
- M logo on the sides
- Exterior mirror caps in body colour
- M Sport brake optionally available
- Rear apron with diffuser insert in Dark Shadow metallic
- Tailpipe trim strip in Chrome high-gloss in M Sport package specific design
- Exclusive paintwork in Carbon Black metallic; other paintworks available

M Sport package interior equipment:

- M door sill finishers, M driver footrest and M specific pedals
- Sport seats for driver and front passenger in Cloth/leather combination 'Vernasca' Black with blue contrast stitching, alternatively
- Sport seats for driver and front passenger in Exclusive leather 'Vernasca' Black with blue contrast stitching featuring instrument panel in Sensatec with blue stitching; other upholsteries available
- M Leather steering wheel with multifunction buttons
- BMW Individual headliner anthracite
- Interior trim finishers in Aluminium Rhombicle with accent in Pearl Chrome; other trims available
- Car key with exclusive M logo
- M specific floor mats in velour
- Loading sill of the luggage compartment in stainless steel

¹ Only available in conjunction with Steptronic Sport transmission or Steptronic transmission with gearshift paddles.

BMW M PERFORMANCE.

The new BMW X3 M40i.

Design elements exclusive to M Performance highlight the dynamic potential of the **BMW X3 M40i** both inside and out. They includes features such as larger air inlets, the grille frame, kidney slats and mirror caps in Cerium Grey, along with Sport seats, the M leather steering wheel with gearshift paddles and the exclusive M40i designation on the instruments, doorsill finishers and at the rear. In conjunction with the eight-speed Steptronic Sport transmission, the M Performance TwinPower Turbo inline six-cylinder petrol engine in the BMW X3 M40i offers impressive dynamics thanks to its commanding performance. Fitted with a TwinScroll turbocharger, Valvetronic fully variable valve control and High Precision Injection, it generates 265kW (360hp) and delivers maximum torque of 500Nm. The BMW X3 M40i offers outstanding precision and agility. The dynamic lateral and longitudinal characteristics are increased – and intense driving pleasure assured – thanks to comprehensive new calibration of the suspension, M Performance-specific tuning of the variable Sport steering, standard M Sport brakes and the BMW xDrive all-wheel-drive system with the emphasis on the rear wheels.

M PERFORMANCE

The M Aerodynamics package underscores athleticism of the vehicle and optimises its airflow. The package includes a front apron with larger air inlets, special side skirts and a rear apron with a diffuser insert. The tailpipes are finished in Black chrome on both sides.

As soon as the doors are opened, the exclusive doorsill finishers with M Performance model designation signal the sporting DNA of the vehicle.

The 8-speed Steptronic Sport transmission offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever – for comfortable coasting or incredibly dynamic driving. In SPORT mode and with the gear lever in the left-hand S/M position, the gear shifts are configured for maximum performance.

Also no compromise inside: the M leather steering wheel with shift paddles and the M-specific pedals combine sporting form and function.

Performance, fuel consumption and CO₂ emissions figures refer to vehicles with standard transmission.

Further information on fuel consumption and CO₂ emissions can be found in technical data or consult your local BMW partner.

BMW Individual paint finish Sunstone metallic and 21" BMW Individual light alloy wheels V-spoke style 726 I.

BMW Individual doorsill finishers¹ with BMW Individual designation.

BMW INDIVIDUAL.

The expression of personality.

The new BMW X3. Inspired by BMW Individual.

The BMW Individual Collection offers an exclusive selection of equipment options to meet each and every wish for your new BMW X3.

The new BMW Individual paint finish Sunstone metallic captivates with its brilliance of colour and the way it shimmers between silver and nuances of gold. The finish also perfectly accentuates the elegant silhouette of the vehicle. The exclusive 21" BMW Individual light alloy wheels V-spoke style 726 I, meanwhile, underscore the powerful athleticism of the new BMW X3.

Inside, the light hue of the BMW Individual extended fine-grain Merino leather in Ivory White creates a uniquely spacious feel. The Piano finish Black trim provides a particularly elegant contrast. BMW Individual headliner in Anthracite and characteristic doorsill finishers¹ are additional appealing highlights.

BMW Individual interior trim Piano finish Black.

BMW Individual extended fine-grain Merino leather in Ivory White, BMW Individual interior trim Piano finish Black and BMW Individual headliner in Anthracite.

EXPERIENCE BMW INDIVIDUAL INTERACTIVE.

EQUIPMENT HIGHLIGHTS.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ The Adaptive LED headlights include low-beam and high-beam headlights and turn indicators with full LED technology. The equipment also features BMW Selective Beam, cornering lights, daytime running lights and Adaptive headlights with variable light control for excellent illumination of the road ahead and better visibility in the dark.

□ The new BMW X3 with the M Sport package in non-metallic Alpine White and optional 20" M light alloy wheels Double-spoke style 699 M in Orbit Grey, burnished, and with mixed tyres.

□ Electric Panorama glass roof with slide and lift functions (front), roller sunblind, a wind deflector and comfort opening function via the car's remote control.

□ The roof rails in satinised Aluminium provide the base for a multifunctional BMW roof rack unit.

□ The acoustic glazing on the front side windows complements the acoustic glazing on the front windscreen and significantly reduces the level of noise for everyone inside the vehicle. It minimises noise created by the outside surroundings and flow of air, as well as by the engine, tyres and windscreen wipers. Music listeners and hands-free device users in particular will appreciate the difference this makes.

□ Remote backrest unlocking for the rear seats allows the rear seat backrests to be unlocked and folded down conveniently via a button in the luggage compartment.

■ The through-loading system with rear seat backrests divisible in a 40:20:40 ratio guarantees flexibility when transporting people, luggage and other various items.

□ Using the lever on the right or left seat in the rear, the angle of the respective backrest can each be adjusted up to 5 degrees forwards and 6 degrees backwards.

□ The Luggage-compartment separating net behind the second row of seats prevents objects from falling forwards into the passenger area.

□ Sculptural, three-dimensional full LED rear lights in conjunction with Adaptive LED headlights.

□ The Trailer tow hitch with electrically adjustable tow ball and trailer stability control is approved for heavy loads of up to 2,400 kg.

□ The Multifunctional instrument display¹ offers an impressive presentation of the gauges and other instruments.

□ BMW Individual extended fine-grain Merino leather in Ivory White².

□ Ambient light, including Ambient contour lighting in the front and rear doors, creates a relaxed, cosy lighting atmosphere in the interior. The Welcome Light Carpet illuminates the area in front of the car doors when entering and exiting. Six dimmable light designs in White, Blue, Orange, Bronze, Lilac and Green are available.

¹ Only available in conjunction with the Professional Navigation system.
² Expected to be available from 12/2017.

EQUIPMENT HIGHLIGHTS.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ The Instrument panel in Sensatec lends the interior of the vehicle a highly exclusive atmosphere. The artificial leather is applied directly to a semi-rigid foam, and features an impressively soft surface. The wear-resistant material around the door panels on the front and rear features attractive double-lap seams.

□ The individually adjustable Sport seats for the driver and front passenger feature numerous manual adjustment options, including backrest width, fore-and-aft position, and the backrest and seat angle. Thanks to taller seat and backrest bolsters, and well-defined side bolsters, they provide excellent ergonomics and a high degree of lateral support.

□ With BMW Gesture Control¹, certain functions can be operated by means of defined hand movements. For certain operations the system will for example recognise gestures such as 'swiping' or 'pointing' for accepting or rejecting an incoming call, or circular motions of the index finger to adjust volume.

□ The full-colour BMW Head-Up Display³ projects all information relevant to the journey directly into the driver's field of vision, thereby allowing them to fully concentrate on driving. Information such as the current speed, navigation directions, Speed Limit Info including no-overtaking indicator, along with telephone and entertainment lists are displayed.

□ Automatic air conditioning with three-zone control includes Automatic Air Recirculation (AAR) with a micro active carbon filter, as well as fogging and solar sensors.

□ Exclusive galvanic embellishers for controls such as the Start/Stop button, along with volume and temperature dials, lend a particularly high-quality look.

□ Harman Kardon surround sound system with 600 watt digital amplifier, vehicle-specific equalising and loudspeakers with chrome detailing.

□ Telephony with wireless charging² offers a comprehensive telephony package with Bluetooth connectivity and the technical capacity for a WiFi hotspot.

□ The equipment package Parking Assistant Plus makes parking and manoeuvring the vehicle easier. It features Surround View including Top View, Remote 3D View, PDC as well as a lateral parking aid, the Active PDC⁴ emergency braking function and the Parking Assistant with linear guidance that provides fully automatic parking both parallel and perpendicular to the road.

□ Driving Assistant Plus offers greater comfort and security during monotonous or complex driving situations. These can include traffic jams, stop-and-go traffic or long journeys through the city, on country roads or motorways, along with navigating junctions and lane changes.

□ The Ambient Air Package comprises a fragrance dispersal function and an air ionisation function. There are eight fragrances to choose from, all specially composed for the vehicle.

□ Navigation system Professional: with Radio Professional including DVD drive, operated via Touch Display or iDrive Touch Controller.

□ The BMW display key shows various information about the vehicle's status and allows selected functions to be controlled with an integrated touch display.

□ Intelligent Voice Assistant¹ understands natural speech and optimises recognition rate over a large range of individual and situational variations thanks to Offboard Voice processing. It also understands linguistic varieties, dialects and jargon. This enables a substantially greater range of possibilities when dictating text messages or emails.

□ With 'Share My Ride in Real-time', the driver can safely share his or her arrival time and current location while driving with friends, family and colleagues. The recipient receives a link to a website that displays the destination and current location of the vehicle on a map.

¹ Only available in conjunction with the Professional Navigation system.
² Supports inductive charging for Qi-compatible mobile phones. Special charging cases are available from Original BMW Accessories for selected smartphones that do not support the Qi standard for inductive charging. The WiFi hotspot enables in-vehicle internet usage with the highest LTE standard. Usage incurs additional charges.

³ The information in the BMW Head-Up Display is not fully visible when viewed through polarised sunglasses. The exact content shown will depend on the equipment options chosen. Further optional equipment is required for content to be displayed.
⁴ Expected to be available from 12/2017.
Optional and standard equipment vary according to country.

The images shown here are representative of equipment offered as individual features and are specific to every BMW. Depending on the model, the Control Display and presentation of content may differ.

BMW INDIVIDUAL.

[Colours] The colours printed above are intended to provide you with a first impression of paints and materials available for your BMW. Experience has shown, however, that printed images of paint, upholstery and interior trim colours cannot faithfully reproduce the actual

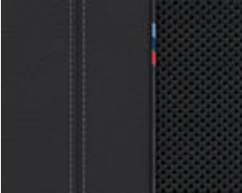

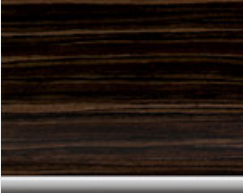

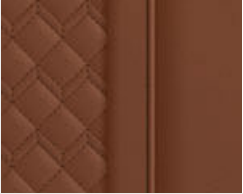

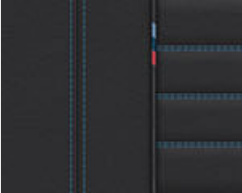

appearance of the originals. We recommend therefore that you consult your BMW partner who will be able to show you original samples and assist with special requests.

¹ Available as standard for the M Sport package.
² Also optionally available for the M Sport package.
³ Exclusively available for the M Sport package.
Optional and standard equipment vary according to country.

Please note that even normal long or short-term use can lead to permanent upholstery damage. This can be caused in particular by non-colourfast clothing.

Please note that the interior colour depends on the selected upholstery colour.

¹ For base, only available in conjunction with seats with active seat ventilation.
² Only available in conjunction with standard seats.
³ Only available in conjunction with Sport seats
⁴ Including instrument panel in Sensatec with exclusive stitching in Blue.
⁵ Expected to be available from 12/2017.
Optional and standard equipment vary according to country.

WHEELS AND TYRES.

Discover more with the new BMW catalogue app. Now available for your smartphone and tablet.

□ 21" BMW Individual light alloy wheels V-spoke style 726 I in Bicolour Orbit Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8.5J x 21 with 245/40 R21 tyres, rear 9.5J x 21 with 275/35 R21 tyres.

□ 21" M light alloy wheels Double-spoke style 718 M in Bicolour Cerium Grey matt, gloss-lathed², with mixed tyres and run-flat properties, front 8.5J x 21 with 245/40 R21 tyres, rear 9.5J x 21 with 275/35 R21 tyres.

■ 18" light alloy wheels V-spoke style 618 Reflex Silver with run-flat properties, wheel size 7J x 18 with 225/60 R18 tyres.

□ 18" light alloy wheels turbine styling 689 in Bicolour Jet Black non-metallic, gloss-lathed, with run-flat properties, BMW EfficientDynamics, wheel size 7J x 18, with 225/60 R18 tyres.

□ 19" light alloy wheels V-spoke style 691, Reflex Silver with run-flat properties, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 19" light alloy wheels V-spoke style 692 in Bicolour Ferric Grey, gloss-lathed with run-flat properties, wheel size 7.5J x 19 with 245/50 R19 tyres.

□ 20" light alloy wheels Y-spoke style 695 in Bicolour Orbit Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

□ 20" light alloy wheels V-spoke style 697 in Bicolour Ferric Grey, gloss-lathed, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

□ 20" M light alloy wheels Double-spoke style 699 M in Bicolour Orbit Grey, gloss-lathed¹, with mixed tyres and run-flat properties, front 8J x 20 with 245/45 R20 tyres, rear 9.5J x 20 with 275/40 R20 tyres.

○ 21" BMW M Performance light alloy wheels Y-spoke style 701 M, Bicolour matt Black, burnished on the visible sides. Complete summer wheel set with mixed, run-flat tyres. Front tyres: 245/40 R21. Rear: 275/35 R21.

ORIGINAL BMW ACCESSORIES.

Equipment 40 | 41

■ Standard equipment □ Optional equipment ○ Accessories

○ This contemporary **roof box** in Black with titanium silver side trims has a 520-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking.

○ The **Pro 2.0 rear bicycle rack** is lightweight yet sturdy and can carry up to 60kg. Exceptionally easy to use, it carries two bicycles or e-bikes (can be extended to accommodate three bicycles). Its tilt function also allows easy access to the luggage compartment at all times.

○ The premium-quality **20" light alloy wheels** Y-spoke style 695 are in matt Black and feature spokes arranged on two levels. Complete summer wheel set with mixed, run-flat tyres. Front wheels: 8J x 20 with 245/45 R20 103W XL RSC tyres. Rear wheels: 9.5J x 20 with 275/40 R20 106W XL RSC tyres. Also available as a complete winter wheel set.

○ **All-weather floor mats:** precisely fitting protection against moisture and dirt in the front footwells. In black and with a stainless steel X3 inlay, the mats are a perfect match with the interior.

○ **Activity Key:** for button-free locking/unlocking vehicle and starting the engine. Waterproof to five bars and can be carried using either a clip, keyring or armband accessory. Sport version features the BMW logo.

○ **Wireless charging case:** for inductive charging of the Apple iPhone™ 6/6s. The case also doubles as a protective cover.

○ **Fitted luggage compartment mat:** anti-slip, water-resistant, durable mat for protecting the luggage compartment from dirt and moisture. In black and with an X3 stainless steel inlay for a perfect match with the interior.

¹ Only available in conjunction with the M Sport package.
² Only available for BMW X3 M40i.
Optional and standard equipment vary according to country.

Discover the wide range of innovative solutions available for the exterior and interior, communication and information, and for transportation and the luggage compartment. Your BMW Partner is on hand to advise you on the whole range of Original BMW

Accessories and can also provide you with a special accessories catalogue. For more information, visit www.bmw.com/accessories

All dimensions in the technical drawings are given in millimetres.
Performance, fuel consumption and CO₂ emissions figures refer to vehicles with standard transmission.

¹ Figures quoted are based on a 90% full tank and a driver weight of 75kg. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase actual vehicle mass.
² The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.
³ Provisional figures. Any missing figures were unavailable at the time of publication.
⁴ Electronically restricted.
⁵ BMW recommends the use of RON 95 super unleaded petrol. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. Performance and fuel consumption data apply to vehicles using RON 98 fuel.
⁶ The stated fuel consumption and CO₂ data were determined in accordance with the stipulated VO (EU) 2007/715 measurement process as currently applicable to vehicle approval. Data refer to a vehicle with base-level equipment in Germany and the ranges account for differences according to selected wheel and tyre sizes. Values for vehicles indicated with (7) have already been determined on the basis of the new WLTP legislation and adjusted for comparability with NEDC. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.
⁷ Due to be available from 12/2017.

BMW X3 M40i.

M Performance TwinPower Turbo in-line six-cylinder petrol engine, 265kW (360hp), 21" BMW M light alloy wheels Double-spoke style 718 M with mixed tyres, Phytonic Blue metallic exterior colour, Sport seats for driver and front passenger in Vernasca Cognac leather with decorative stitching, Aluminium Rhombicle interior trim with Pearl Chrome accents, instrument panel in Sensatec black.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur after 13/06/2017, the date when this brochure went to press, or according to the specific requirements of other markets. Your local BMW Partner is available to provide further details. Subject to alteration in design and equipment.
